THE MISSION

U.S.-Ukraine Foundation ... is a publicly supported 501(c)(3), not-for-profit non-governmental organization established in 1991 to facilitate democratic development, encourage free market reform, and enhance human rights for Ukraine.

The Foundation, headquartered in Washington, creates and sustains channels of communication between the United States and Ukraine, in order to build peace and prosperity through an exchange of information. The Foundation is dedicated to strengthening the mutual objectives of the U.S. and Ukraine, advancing Ukraine as a cornerstone of regional stability and as a full partner in the community of nations.

The work of the Foundation, over the course of 19 years, has been significant in the promotion of democratic and economic reforms in Ukraine. Since the beginning, when the Foundation was one of the first Western organizations to establish a physical presence in Kyiv through the founding of the Pylyp Orlyk Institute for Democracy, it has continued to provide Ukrainian pro-democratic reformers with the necessary information and technical assistance to transform their nation into a democratic, rule of law state.

Today, the Foundation, which has representative branch status in Ukraine, operates through its main office in Kyiv.

The Foundation has earned a reputation in Ukraine and in the United States for its professionalism and credibility in fostering non-partisan discussion, providing accurate information and encouraging democratic reforms.
PROGRAMS

Economic Development

The U.S.-Ukraine Foundation promotes business and economic development between Ukraine and the West through an open exchange of information from corporate, government, educational and non-profit entities.

This is accomplished through:
- Market of Ukraine, a business development section of the Foundation's website, and
- http://www.traveltoukraine.org, a website that promotes Ukraine’s travel and tourism industry
- inclusion of business articles features in the Foundation’s e-newsletter, Update
- periodic meetings and other events organized by the Foundation.

Zapytiv Community Development Fund

This fund supports Zapytiv, a community near Lviv, and established by the Boyko Family -- Mychailo and his daughters Olena and Lieda.
Petrach Community Development Fund for Starij Dobrotvir

The William Petrach Charitable Trust, which had previously awarded the U.S.-Ukraine Foundation with funds in 1999 to construct a community center and a church rectory in Old Dobrotvir (Lviv oblast, Kamyanka-Buzkyj rayon), petitioned the Circuit Court of Arlington in March 2003 to terminate the trust and distribute the remaining assets to the U.S.-Ukraine Foundation.

The court approved the petition and awarded the Foundation with funds to establish an endowment that supports the year-to-year needs of four community institutions - the community center, elementary school, library, and rectory of the Ukrainian Greek Catholic Church.

Education

This program educates the public regarding Ukraine and the U.S. and provides assistance to institutions and individuals in expanding educational opportunities relating to public policy, economic development, health care, leadership and democratic values.

Internship Program

The Foundation has welcomed many young men and women to its Washington office for an opportunity to work in U.S.-Ukrainian relations, to explore career choices, and to learn the political process. Interns provide a valuable service to the Foundation in supporting its program activities.
