THE MISSION

U.S.-Ukraine Foundation ... is a publicly supported 501(c)(3), not-for-profit non-governmental organization established in 1991 to support democracy, a free market, and human rights for Ukraine.

The Foundation, headquartered in Washington, creates and sustains channels of communication between the United States and Ukraine, in order to build peace and prosperity through an exchange of information. The Foundation is dedicated to strengthening the mutual objectives of the U.S. and Ukraine, advancing Ukraine as a cornerstone of regional stability and as a full partner in the community of nations.

The work of the Foundation, over the course of 20 years, has been significant in the promotion of democratic and economic reforms in Ukraine. Since the beginning, when the Foundation was one of the first Western organizations to establish a physical presence in Kyiv through the founding of the Pylyp Orlyk Institute for Democracy, it has continued to provide Ukrainians with the necessary information and technical assistance to transform their nation into a democratic, rule of law state.

Today, the Foundation, which has representative branch status in Ukraine, operates through its main office in Kyiv.

The Foundation has earned a reputation in Ukraine and in the United States for its professionalism and credibility in fostering non-partisan discussion, providing accurate information and encouraging democratic reforms.
PROGRAMS

Public Policy

The first opportunity for the chairpersons of the Ukraine 2020 Task Forces to discuss future cooperation with Olexander Motsyk, Ukraine’s Ambassador to U.S., occurred at a working luncheon meeting at the offices of the U.S.-Ukraine Foundation on September 29, 2010. From left to right, David Rigsby, Nadia K. McConnell, Nadia Diuk, Ambassador Olexander Motsyk, Ambassador William B. Taylor, Ambassador Steven Pifer and Ambassador Keith Smith.

Ukraine 2020

An initiative, announced by the Foundation in September 2010, designed to support Ukraine's European integration which President Yanukovych declared a priority goal for Ukraine. The initiative has three important components – Policy Dialogue, Advancing Ukraine’s Image and Competitiveness, and People-to-People Exchanges.

Ukraine 2020: Policy Dialogue is a collaborative and integrated action plan that brings together government officials, public policy experts, business groups, non-profit organizations and individuals interested in Ukraine’s European future.

Ukraine 2020: Advancing Ukraine’s Image and Competitiveness is a strategic effort to improve Ukraine’s economic development and image world-wide. The Foundation has been an active proponent of Ukraine’s economic development and image through many programs over the past two decades, including its Community Partnerships Project and more recently, its Discover Ukraine initiative.

Ukraine 2020: People-to-People Exchanges. For the people of Ukraine to maximize their role in their country's development and European integration, the Foundation proposes an expansion of focused exchanges centering on youth leadership and professional technical assistance in private and public sectors.
The Pylyp Orlyk Institute for Democracy

The Pylyp Orlyk Institute for Democracy in Kyiv receives support from the Foundation to provide Ukrainian policymakers with information on public policy issues, such as democracy, democratic institutions, the development of civil society and free-market economics, to help educate and impact decision-makers in Ukraine.

Economic Development

The court approved the petition and awarded the Foundation with funds to establish an endowment that supports the year-to-year needs of four community institutions - the community center, elementary school, library, and rectory of the Ukrainian Greek Catholic Church.

The 2011 Annual Giving Campaign, conducted from September 1, 2010 through August 31, 2011, received private gifts totaling $204,464 from 438 donors. $204,464 represents a 19% increase over last year’s campaign and 32% of all cash revenues raised by the Foundation in Fiscal Year 2011.

Other highlights of the 2011 campaign include:

- **Unrestricted Gifts totaled $134,164,** representing a 9% increase over last year. This amount has been directed to the Foundation’s general operations and programs, as follows:

Without these funds, the Foundation would find it impossible to continue its important work. I wish to thank all our donors, with special appreciation to the Maria Hulai Lion Foundation, Self Reliance (NY) Federal Credits Union of New York City, The Vanco Group, Ukrainian American Coordinating Council, Heritage Foundation of First Security Federal Savings Bank of Chicago, IL, Dmytro & Jaroslava Jarosewycz Memorial Charitable Gift Fund, Sutaruk Foundation, and U.S.-Ukraine Business Council, along with individuals Michael & Betsy Fleenor, Roxolana Horbowyj, Halyna Breslawec & Arthur Levine, Adrian & Larissa Dolinsky, Yuri & Inna Deychakiwsky, Jack Keller, John & Paula Kun, Leonard & Helena Mazur, Marta Pereyma, Stefan & Wolodymyra Slywotzky, and Stephan & Tamara Tymkiw.

I want to thank the Foundation’s 438 donors who generously contributed during a challenging economic time. Your financial support is very much appreciated.

With the 2012 Annual Giving Campaign in full swing, now is a great time to make a gift in support of the U.S.-Ukraine Foundation. And please consider making the U.S.-Ukraine Foundation your primary philanthropy for the future!
