THE MISSION

U.S.-Ukraine Foundation ... is a publicly supported 501(c)(3), not-for-profit non-governmental organization established in 1991 to support democracy, a free market, and human rights for Ukraine.

The Foundation, headquartered in Washington, creates and sustains channels of communication between the United States and Ukraine, in order to build peace and prosperity through an exchange of information. The Foundation is dedicated to strengthening the mutual objectives of the U.S. and Ukraine, advancing Ukraine as a cornerstone of regional stability and as a full partner in the community of nations.

The work of the Foundation, over the course of 22 years, has been significant in the promotion of democratic and economic reforms in Ukraine. Since the beginning, when the Foundation was one of the first Western organizations to establish a physical presence in Kyiv through the founding of the Pylyp Orlyk Institute for Democracy, it has continued to provide Ukrainians with the necessary information and technical assistance to transform their nation into a democratic, rule of law state.

Today, the Foundation, which has representative branch status in Ukraine, operates through its main office in Kyiv.

The Foundation has earned a reputation in Ukraine and in the United States for its professionalism and credibility in fostering non-partisan discussion, providing accurate information and encouraging democratic reforms.

To support its mission in FY 2013, the Foundation raised $613,087 and had expenses of $624,142. Volunteers provided additional in-kind services of $249,094, aiding the total impact of Foundation programs. Of all expenditures, program activities accounted for 66%, management and general operations for 24% and fundraising costs for 10%. The Foundation distributed $166,928 in grants and allocations, representing 27% of all expenditures and 40% of all program expenses.
PROGRAMS

Public Policy

Ukraine 2020

An initiative, announced by the Foundation in September 2010, designed to support Ukraine's European integration which President Yanukovych declared a priority goal for Ukraine. The initiative has three important components – Policy Dialogue, Advancing Ukraine's Image and Competitiveness, and People-to-People Exchanges.

**Ukraine 2020: Policy Dialogue** is a collaborative and integrated action plan that brings together government officials, public policy experts, business groups, non-profit organizations and individuals interested in Ukraine's European future. The Foundation received grant funds totaling $150,000 from the U.S. State Department in September 2011 to implement a program supporting Ukraine’s aspirations for European integration. Policymakers from both Ukraine and the United States met in several meetings during the course of the program, most notably in Kyiv in June 2012.

On September 28, 2012, the Ukraine 2020 Policy Dialogue Recommendations were released at a public event hosted by The Brookings Institution in Washington, DC.

To watch the event, go to: [http://www.youtube.com/watch?v=BzOWBvFwmNk&feature=player_embedded](http://www.youtube.com/watch?v=BzOWBvFwmNk&feature=player_embedded)

The four Task Forces of the Ukraine 2020 – Policy Dialogue Project made presentations at the International Conference: Leadership in a Global World, held in Washington, DC on November 30 and December 1, 2012. Approximately 150 government, business and NGO leaders attended the sessions each day.

**Ukraine 2020: Advancing Ukraine’s Image and Competitiveness** is a strategic effort to improve Ukraine’s economic development and image world-wide. The Foundation has been an active proponent of Ukraine’s economic development and image through many programs over the past two decades, including its Community Partnerships Project and more recently, its Discover Ukraine initiative.

**Ukraine 2020: People-to-People Exchanges.** For the people of Ukraine to maximize their role in their country’s development and European integration, the Foundation proposes an expansion of focused exchanges centering on youth leadership and professional technical assistance in private and public sectors.

Over many years, the Foundation has been involved in pro-democracy activities that have aided Ivano-Frankivsk and its citizens.

In addition to Mayor Anushkevichus and his wife, Lidiya, the luncheon was attended by Ambassador John O'Keefe, Andriy Tsintsiruk, Chrystia Sonevytsky, Lewis Madanick, Lorraine Kuchmy, Mykhailo Datsenko, William Gleason, Nadia K. McConnell, Yuliya Solovey and John A. Kun.

Kyiv, Ukraine - The U.S.-Ukraine Foundation, in cooperation with the Center for Leadership Development, honored 40 young Ukrainian leaders at the 40 Under 40 Ukraine’s Emerging Leaders Symposium and Reception at the Club of the Cabinet of Ministers of Ukraine on April 24, 2013.

The honorees were selected through the 40 Under 40 Ukraine’s Emerging Leaders Initiative, a new program of the Foundation.

The 40 Under 40 Initiative is designed to annually identify 40 outstanding Ukrainians under the age of 40 who demonstrate leadership within their profession while making a significant contribution to the development of their community and Ukraine. Those selected represent a cross section of professions, whether they are in business, the arts, education, science, sports, etc., and regions of Ukraine.

The first-ever 40 person leadership group was chosen by a selection committee, which included Anatoliy Tolstoukhov, former Minister, Cabinet of Ministers of Ukraine; Ambassador William Miller, Senior Policy Scholar, Woodrow Wilson Center and Co-Chair, Ukraine 2020 Culture and Education Task Force; Ambassador John O’Keefe, Executive Director of the Open World Leadership Center; and Marta Farion, President, Kyiv-Mohyla Foundation of America and Co-Chair of Ukraine 2020 Culture and Education Task Force. The committee looked beyond familiar faces to find Ukrainians who were focused on individual social responsibility in their community in order to make Ukraine a better place.

Those selected were officially announced in Washington, DC, at the Ukraine in Washington 2012 International Conference and Gala Concert, held on November 30 and December 1, 2012. The event is considered by many as the most significant Ukraine-related event held in the U.S.

The 40 Under 40 Emerging Leaders Initiative was featured as part of the Leadership in a Global World Conference which focused on education and leadership development themes. Participating in these sessions were individuals from the Bush School of Government and Public Service and the Clinton School of Public Service. Former U.S. diplomats and U.S. governments officials who participated in these sessions and throughout the overall conference included Ambassadors William Green Miller, Steven Pifer, John Tefft, and Roman Popadiuk, as well as Andy Card, former Chief of Staff for President George W. Other highlights of the 2013 campaign include:

- **Combined Federal Campaign donations totaled $3,170** during the Foundation’s second year of eligibility.

- **Total gifts of $462,910 represent 75.5%** of all cash revenues raised by the Foundation in FY 2013.

Without these funds, the Foundation would find it impossible to continue its important work. I wish to thank all our donors, with special appreciation to the Bionic Innovation Park, Maria Hulai Lion Foundation, Monsanto Company, Neva Investment Trade LLC, Orbital Sciences Corporation, Raytheon, Self Reliance (NY) Federal Credits Union, Sutaruk Foundation, System Capital Management, The Coca-Cola Company and individuals Leonard & Helena Mazur and Stefan & Wolodymyra Slywotzky.
