Cover Page Note: Bells as a Symbol of Freedom - Sponsored and donated by the Ivano-Frankivsk Oblast Association of Blacksmiths

“Owing to your idea, those who receive them will hear about Ukraine! Bells can ring for joy, but also signal alarm. Unfortunately, these are alarming times now in Ukraine. We are extremely grateful to all who support us and have been doing so throughout this time. This support is very important!”

- Viktor Vintonyak: Ivano-Frankivsk, Sister City of Arlington, VA
THE MISSION

U.S.-Ukraine Foundation is a publicly supported 501(c)(3), not-for-profit non-governmental organization established in 1991 to support democracy, a free market, and human rights for Ukraine.

The Foundation, headquartered in Washington, creates and sustains channels of communication between the United States and Ukraine, in order to build peace and prosperity through an exchange of information. The Foundation is dedicated to strengthening the mutual objectives of the U.S. and Ukraine, advancing Ukraine as a cornerstone of regional stability and as a full partner in the community of nations.

The work of the Foundation, over the course of 23 years, has been significant in the promotion of democratic and economic reforms in Ukraine. Since the beginning, when the Foundation was one of the first Western organizations to establish a physical presence in Kyiv through the founding of the Pylyp Orlyk Institute for Democracy, it has continued to provide Ukrainians with the necessary information and technical assistance to transform their nation into a democratic, rule of law state.

Kyiv, October 15, 2013 - Vice President/Ukraine Director Markian Bilynskyj and Program Director Yuliya Solovey attend the International Conference on Anti-Semitism on the occasion of the 100th anniversary of the infamous "blood libel" trial of Menahem Mendel Beilis, organized by the Ukrainian Jewish Committee with the support of the Organization for Security and Cooperation in Europe (OSCE). On left is Lesley Weiss, Director of Community Services and Cultural Affairs for NCSI.

Today, the Foundation, which has representative branch status in Ukraine, operates through its main office in Kyiv.

The Foundation has earned a reputation in Ukraine and in the United States for its professionalism and credibility in fostering non-partisan discussion, providing accurate information and encouraging democratic reforms.

To support its mission in FY 2014, the Foundation raised $641,752 and had expenses of $658,862. Volunteers provided additional in-kind services amounting to $202,756, adding to the total impact of Foundation programs. Of all expenditures, program activities accounted for 63%, management and general operations for 22% and fundraising costs for 15%. The Foundation distributed $209,448 in grants and allocations, representing 32% of all expenditures and slightly over 50% of all program expenses.
PROGRAMS

Education

This program educates the public regarding Ukraine and the U.S. and provides assistance to institutions and individuals in expanding educational opportunities relating to public policy, economic development, health care, leadership and democratic values.

Open World Project

Funded by the independent Open World Leadership Center at the Library of Congress, Open World is designed to enhance understanding and capabilities for cooperation between the U.S. and the countries of Eastern Europe, Eurasia and the Baltic States by developing a network of leaders in the region who have gained significant, firsthand exposure to America’s democratic, accountable government and free-market system.

Through the Foundation’s Open World Project, “emerging” Ukrainian leaders attended 9-day training programs organized and hosted by the Foundation’s partners in the cities of Arlington, VA, Birmingham, AL, Kansas City, MO, Longview, TX, Modesto/Sacramento, CA, Omaha, NE, Philadelphia, PA, and Springfield, IL.

Youth Leadership Internship Program

USUF has welcomed many young men and women to its Washington office through the years for an opportunity to delve into U.S.-Ukrainian relations, to explore career choices, and to learn the political process. Students are challenged while they serve at USUF and assist in various communications, research and program activities. Our interns represent future leaders in U.S.-Ukraine relations!
The Foundation provided an invaluable educational, leadership experience for these talented individuals during the past year:

**Kateryna Botsu** - American University, School of International Services  
Candidate for Master of Arts in International Affairs

**Alina Filipchuk** - New York University Abu Dhabi  
Candidate for Bachelor of Science in Psychology

**Mark Temnycky** - LeMoyne College  
Candidate for Bachelor of Arts in History

**Melania Denys Kovaluk Scholarship Fund**

Sutaruk Scholarship Fund

The Foundation received funds from the Sutaruk Foundation of Michigan to establish the Sutaruk Scholarship Fund for the benefit of students in Dubno (Rivne oblast), Netishyn and Slavuta (Khmelnytskyj oblast).

USUF awarded nearly $43,010 in scholarships during the year.

Public Policy

Ukraine 2020

An initiative, announced by the Foundation in September 2010, designed to support Ukraine’s European integration which President Yanukovych declared a priority goal for Ukraine. The initiative has three important components - Policy Dialogue, Advancing Ukraine’s Image and Competitiveness, and People-to-People Exchanges.

Ukraine 2020: Policy Dialogue is a collaborative and integrated action plan that brings together government officials, public policy experts, business groups, non-profit organizations and individuals interested in Ukraine’s European future. The Foundation received grant funds totaling $150,000 from the U.S. State Department in September 2011 to implement a program supporting Ukraine’s aspirations for European integration. Policymakers from both Ukraine and the United States met in several meetings during the course of the program.

Ukraine 2020: Advancing Ukraine’s Image and Competitiveness is a strategic effort to improve Ukraine’s economic development and image world-wide. The Foundation has been an active proponent of Ukraine’s economic development and image through many programs over the past two decades, including its Community Partnerships Project and more recently, its Discover Ukraine initiative.

Ukraine 2020: People-to-People Exchanges. For the people of Ukraine to maximize their role in their country’s development and European integration, the Foundation proposes an expansion of focused exchanges centering on youth leadership and professional technical assistance in private and public sectors.

The Pylyp Orlyk Institute for Democracy

The Pylyp Orlyk Institute for Democracy in Kyiv receives support from the Foundation to provide Ukrainian policymakers with information on public policy issues, such as democracy, democratic institutions, the development of civil society and free-market economics, to help educate and impact decision-makers in Ukraine.
Economic Development

The U.S.-Ukraine Foundation promotes business and economic development between Ukraine and the West through an open exchange of information from corporate, government, educational and non-profit entities.

This is accomplished through:
- Market of Ukraine, a business development section of the Foundation's website, and
- http://www.traveltoukraine.org, a website that promotes Ukraine’s travel and tourism industry
- Inclusion of business articles features in the Foundation’s e-newsletter, Update
- the posting of travel sector informational items through the Travel to Ukraine Facebook page
- periodic meetings and other events, including business conferences, organized by the Foundation.

Zapvtiv Community Development Fund

This fund supports Zapvtiv, a community near Lviv, and established by the Boyko Family -- Mychailo and his daughters Olena and Lieda.

Petrach Community Development Fund for Starij Dobrotvir

The William Petrach Charitable Trust, which had previously awarded the U.S.-Ukraine Foundation with funds in 1999 to construct a community center and a church rectory in Old Dobrotvir (Lviv oblast, Kamyanka-Buzkyj rayon), petitioned the Circuit Court of Arlington in March 2003 to terminate the trust and distribute the remaining assets to the Foundation. The court approved the petition and awarded the Foundation with funds to establish an endowment that supports the year-to-year needs of four community institutions - the community center, elementary school, library, and rectory of the Ukrainian Greek Catholic Church.

Health Care & Humanitarian Aid

The U.S.-Ukraine Foundation provides health care and humanitarian assistance to Ukraine through this program.

The U.S.-Ukraine Foundation partners with the Centre for Corporate Social Responsibility Development, Ukraine to promote Corporate Social Responsibility (CSR) both in Ukraine as well as in the United States.

USUF worked civil society groups and key volunteers with the aim of improving medical care for the many injured from Ukraine's conflict in the eastern regions. Over $60,000 was directed in grants for this purpose.

Informational Services

The Foundation informs its supporters and the general public about its activities in the U.S. and Ukraine, the mutual objectives of both nations, and areas of mutual interest.

The Foundation publishes Update, a periodic e-newsletter, maintains a web site, www.usukraine.org, and posts information through its Facebook page. The Foundation also supports the visit of Ukrainian policymakers and holds various public policy meetings.
