THE MISSION

U.S.-Ukraine Foundation ... is a publicly supported 501(c)(3), not-for-profit non-governmental organization established in 1991 to facilitate democratic development, encourage free market reform, and enhance human rights in Ukraine.

The Foundation, headquartered in Washington, creates and sustains channels of communication between the United States and Ukraine, in order to build peace and prosperity through an exchange of information. The Foundation is dedicated to strengthening the mutual objectives of the U.S. and Ukraine, advancing Ukraine as a cornerstone of regional stability and as a full partner in the community of nations.

The work of the Foundation, over the course of 18 years, has been significant in the promotion of democratic and economic reforms in Ukraine. Since the beginning, when the Foundation was one of the first Western organizations to establish a physical presence in Kyiv through the founding of the Pylpy Orlyk Institute for Democracy, it has continued to provide Ukrainian pro-democratic reformers with the necessary information and technical assistance to transform their nation into a democratic, rule of law state.

Today, the Foundation, which has representative branch status in Ukraine, operates through its main office in Kyiv.

The Foundation has earned a reputation in Ukraine and in the United States for its professionalism and credibility in fostering non-partisan discussion, providing accurate information and encouraging democratic reforms.

18. 2008 Ukraine Civic Hosting Program #OWL-0803 - The Open World Leadership Center of the Library of Congress awarded the Foundation with a $100,611 grant to host 42 Ukrainian government officials in the cities of Birmingham, AL, Des Moines, IA, Kansas City, MO, Little Rock, AR, Louisville, KY, Omaha, NE and Springfield, IL.

19. 2009 Ukraine Civic Hosting Program #OWL-0921 - The Open World Leadership Center of the Library of Congress awarded the Foundation with a $101,860 grant to host 42 Ukrainian government officials in the communities of Arlington, VA, Baltimore, MD, Cincinnati, OH, Kansas City, MO, Omaha, NE, Louisville, KY and Pennsylvania State University in State College, PA.

20. Management Systems International (MSI) has contracted the Foundation to assist in media programming, project communication, and the production of informational materials for the USAID-funded project, Promoting Active Citizen Engagement in Combating Corruption in Ukraine (PACE).

21. In-Kind Contributions/Services were provided as follows:

| Economic Development Program | $18,869 |
| Education Program | $0 |
| Info Services | $7,655 |
| Open World Projects | $55,819 |
| Management and General | $90,000 |
| Fund Raising | $5,962 |
| **Total** | **$178,305** |

22. The Foundation had unrelated business income of $16,906 comprising of public relations and advertising fees. The Foundation has appropriately submitted its annual Federal Form 990 and a Federal Form 990-T, disclosing this income and offsetting related expenses resulting in no tax liability.

23. The Foundation did not incur any lobbying expenses during the year. This amount was also reflected in the organization's Federal Form 990.

24. The Foundation provided grant support of $21,175 to the Pylpyr Orlyk Institute for Democracy (POID). In addition, the Foundation provided POID with free rental space in its Kyiv office calculated on a square meter basis at a cost of $2,524. This amount has reduced the organization's allowable management overhead costs for Federal Indirect Cost calculations and is reflected on the Statement of Expenses, Indirect Costs and Donated Services.

25. The U.S. Department of State has designated the Foundation as a sponsor of an Exchange Visitor Program (Summer Work/Travel) in accordance with the administrative regulations issued under the Mutual Educational and Cultural Exchange Act of 1961 (Public Law 87-256, also known as the Fulbright-Hays Act).

26. USAID and Defense Contracting Audit Agency (DCAA) auditors have thoroughly audited several years of the Foundation’s income and expenses, issuing a report in September 2007 questioning $247,097 in costs. After the Foundation substantiated the validity of the costs, the USAID Inspector General forwarded a recommendation to the USAID Chief Financial Officer in January 2009 for closure of this audit process. The Foundation was informed of this in March 2009. This lengthy audit process, which was a significant disruption to the Foundation’s operations, did not result in any “out-of-pocket” reimbursements to USAID. The only finding assessed to USUF was an indirect cost of $758 and this cost was remedied by an on-paper transfer of indirect expenses for 2006, for an amount less than $758.

27. The U.S.-Ukraine Foundation has received the designation of a Private Voluntary Organization as of September 15, 1996 pursuant to Part 203, Registration of Agencies for Voluntary Foreign Aid, of Title 22, Code of Federal Regulations.
2009 Annual Giving Campaign

The 2009 Annual Giving Campaign, conducted from September 1, 2008 through August 31, 2009 – a period of great economic uncertainty in the U.S. – received private gifts totaling $259,302 from 549 donors.

Despite the economic recession, there were many highlights of the 2009 campaign:

- **Unrestricted Gifts totaled $175,932**, an increase of 18% or $27,000 over the prior year. This represents the 2nd largest amount in USUF history. This amount has been directed to the Foundation’s general operations and programs, as follows:

</table>

- **Total gifts for General Operations of $131,912** - a growth of almost $15,000 over last year and the 2nd largest amount in USUF history.

- **Total Gifts of $259,302** – only $5,400 less than the previous year, but still the 4th largest annual sum ever received by the Foundation.

- **Total Donors of 549** - a small increase in donors over the previous year.

Without these funds, the Foundation would find it impossible to continue its important work. I wish to thank all our donors, with special appreciation to the: Robert & Nadia McConnell, Self Reliance (NY) Federal Credits Union of New York City, Chopivsky Family Foundation, Heritage Foundation of First Security Federal Savings Bank of Chicago, IL, Maria Gonzales Trust, Maria Hulai Lion Foundation, Sutaruk Foundation, U.S.-Ukraine Business Council and individuals Olena Boyko, Peter Jarosewycz and the Dmytro & Jaroslava Jarosewycz Memorial Charitable Gift Fund, Arthur & Halyna Breslawec Levine, Leonard & Helena Mazur, and Stefan & Wolodymyra Slywotzky.

- **Restricted Gifts of $83,370** were donated to the following areas:

  **Melania Denys Kovaluk Scholarship Fund**: $300  
  **Western Ukraine Disaster Assistance Fund**: $28,070  
  **Sutaruk Scholarship Fund**: $50,000  
  **Zapytiv Community Development Fund**: $5,000

The Foundation thanks all 549 donors for generously contributing at a very difficult economic time in the history of the U.S. and Ukraine. Your financial support is very much appreciated. We are hopeful that you will keep the U.S.-Ukraine Foundation in your gift-giving plans for 2010.

**Note: Front & Back Covers**

The pectoral featured on this annual report is part of a collection of artifacts recovered from the massive Scythian grave in what is now Kyiv. The pectoral dates back to the fourth century BCE. The pectoral showcases a motif of daily life of the period as well as mythological creatures. The clasps of the pectoral are composed of two heads of lions. The pectoral is now housed in Ukraine’s Museum of Historical Treasures in the Pecherska-Lavra, or Monastery of the Caves.

The Scythian people, or Ethnic of Sakas, is a somewhat mysterious culture due to its antiquity. However, remnants of the culture can be found throughout modern day Ukraine in the form of gold artifacts, as well as more utilitarian ones. In addition, there are written references to the Scythian migration to Ukraine by Greek writers such as Herodotus, who wrote that the Scythians were nomadic tribes originating in Eurasia.

The Scythians are just one facet of Ukraine’s diverse ancient origins: more Scythian gold and other artifacts can be found in the Museums of Kyiv, Odesa, Lviv and other metropolises of Ukraine. The Pecherska-Lavra is located on 25 Ivana Mazepy in Kyiv, which is near the Khreshchatyk.
