THE MISSION

U.S.-Ukraine Foundation ... is a publicly supported 501(c)(3), not-for-profit non-governmental organization established in 1991 to support democracy, a free market, and human rights for Ukraine.

The Foundation, with offices in Washington and Kyiv, creates and sustains channels of communication between the United States and Ukraine, in order to build peace and prosperity. The Foundation is dedicated to strengthening the mutual objectives of the U.S. and Ukraine, advancing Ukraine as a cornerstone of regional stability and as a full partner in the community of nations.

The work of the Foundation, over the course of 26 years, has been significant in the promotion of democratic and economic reforms in Ukraine. Since the beginning, when the Foundation was one of the first Western organizations to establish a physical presence in Kyiv through the founding of the Pylyp Orlyk Institute for Democracy, it has continued to provide Ukrainians with the necessary information and technical assistance to transform their nation into a democratic, rule of law state.

The Foundation has earned a reputation in Ukraine and in the United States for its professionalism and credibility in fostering non-partisan discussion, providing accurate information and encouraging democratic reforms.

To support its mission in FY 2017, the Foundation raised $599,886 and had expenses of $432,852. Volunteers provided additional in-kind services amounting to $252,240 adding to the total impact of Foundation programs. Of all expenditures, program activities accounted for 68%, management and general operations for 30% and fundraising costs for 2%. The Foundation distributed $133,525 in grants and allocations, representing 31% of all expenditures and 45% of all program expenses.

The William Petrach Charitable Trust, which had previously awarded the U.S.-Ukraine Foundation with funds in 1999 to construct a community center and a church rectory in Old Dobrotvir (Lviv oblast, Kamyanka-Buzkyj ayon), petitioned the Circuit Court of Arlington in March 2003 to terminate the trust and distribute the remaining assets to the Foundation. The court approved the petition and awarded the Foundation with funds to establish an endowment that supports the year-to-year needs of four community institutions - the community center, elementary school, library, and rectory of the Ukrainian Greek Catholic Church.

TraveltoUkraine.org
The Foundation promotes Ukraine’s travel sector through information on the TraveltoUkraine.org website, Travel to Ukraine Facebook page, and the Foundation’s LinkedIn page. Re: 2017 Annual Giving Campaign (September 1, 2016 – August 31, 2017)  

It is my pleasure to report that U.S.-Ukraine Foundation’s **2017 Annual Giving Campaign** received private cash gifts totaling **$429,437** from **384 donors**.

Highlighting our fundraising efforts this year was the largest, single, individual donation ever made to the Foundation – a gift of $250,000 by Ms. Irene K. Joseph, establishing the **Biotechnology Initiative**.

Private gifts are extremely important to the U.S.-Ukraine Foundation’s operations. This year’s total of $429,437 represents **72%** of all revenue received, $599,886. The balance raised of $170,449 constitutes revenue from the Open World Program of $90,838 with fee income and earnings totaling $79,611.

Volunteer gifts, in the form of in-kind services supporting the Foundation’s operations and programs, totaled **$252,240** in value.

The private gifts and many donated hours of service by volunteers illustrate the wide public support for the mission of the U.S.-Ukraine Foundation. Friends and donors make it possible for the Foundation to continue its much-needed work in support of the People of Ukraine. I thank all our donors and volunteers for their generosity of time and/or money.

This information is also being posted on our website and is reflected in our financial statements.

Your continued generosity is sought for our **2018 Annual Giving Campaign** which is currently underway!
