THE MISSION

U.S.-Ukraine Foundation ... is a publicly supported 501(c)(3), not-for-profit non-governmental organization established in 1991 to support democracy, a free market, and human rights for Ukraine.

The Foundation, with offices in Washington and Kyiv, creates and sustains channels of communication between the United States and Ukraine, in order to build peace and prosperity. The Foundation is dedicated to strengthening the mutual objectives of the U.S. and Ukraine, advancing Ukraine as a cornerstone of regional stability and as a full partner in the community of nations.

The work of the Foundation, over the course of 27 years, has been significant in the promotion of democratic and economic reforms in Ukraine. Since the beginning, when the Foundation was one of the first Western organizations to establish a physical presence in Kyiv through the founding of the Pylyp Orlyk Institute for Democracy, it has continued to provide Ukrainians with the necessary information and technical assistance to transform their nation into a democratic, rule of law state.

November 3, 2017 - Marie L. Yovanovitch, U.S. Ambassador to Ukraine, visits the U.S.-Ukraine Foundation and meets with members of the Friends of Ukraine Network for a discussion on issues impacting Ukraine. She is flanked by Ambassador William Green Miller and Foundation President Nadia Komarnyckyj McConnell.

The Foundation has earned a reputation in Ukraine and in the United States for its professionalism and credibility in fostering non-partisan discussion, providing accurate information and encouraging democratic reforms.

To support its mission in FY 2018, the Foundation raised $550,192 and had expenses of $581,719. Volunteers provided additional in-kind services amounting to $210,595 adding to the total impact of Foundation programs. Of all expenditures, program activities accounted for 66%, management and general operations for 32% and fundraising costs for 2%. The Foundation distributed $141,011 in grants, representing 24% of all expenditures and 37% of all program expenses.

"Priority Recommendations for U.S. Assistance"

Held on Wednesday, September 13, 2017
U.S. Capitol Visitor Center, Congressional Meeting Room North

The Friends of Ukraine Network (FOUN), an initiative of the U.S.-Ukraine Foundation, presented recent findings and recommendations to adjust U.S. assistance to Ukraine.

Speakers included: Ivanka Klympush-Tsintsadze, Vice Prime Minister for European and Euro-Atlantic Integration of Ukraine; U.S. Representatives Marcy Kaptur (D-OH), Andy Harris (R-MD) and Brian Fitzpatrick (R-PA); Alexander "Sandy" Vershbow, former Deputy Secretary General of NATO; Roman Popadiuk, first U.S. Ambassador to Ukraine; Michael Carpenter, former Deputy Assistant Secretary of Defense; Dawn Calabia, Senior Adviser at Refugees International; Orest Deychakiwsky, former Policy Advisor at U.S. Helsinki Commission; Jonathan Katz, Senior Fellow, German Marshall Fund and former Deputy Assistant Administrator for Europe and Eurasia at USAID; Cliff Bond, former Assistance Coordinator for Europe and Eurasia, State Department; and, Nadia McConnell, President, U.S.-Ukraine Foundation.
FOUN’s 2017 *Priority Recommendations for U.S. Assistance* was produced as a practical and actionable set of policy recommendations to: stand with the People of Ukraine, support civil society’s fight against corruption, allow the People of Ukraine to defend themselves, and help victims of Putin’s war (updated recommendations were released in early 2019).

**The Pylyp Orlyk Institute for Democracy**

The Pylyp Orlyk Institute for Democracy (POID) in Kyiv receives support from the Foundation to provide Ukrainian policymakers with information on public policy issues, such as democracy, democratic institutions, the development of civil society and free-market economics, to help educate and impact decision-makers in Ukraine. USUF's financial support for POID totaled $7,277 this year.

The Pylyp Orlyk Institute for Democracy, founded by the U.S.-Ukraine Foundation, is an independent, indigenous organization in Ukraine. POID aims to help revive Ukrainian democratic traditions and to assist in the consolidation of a free-market democracy in Ukraine. The Pylyp Orlyk Institute for Democracy serves as a source of information and facilitates the research and development of public policy in six key areas essential to democratic state-building: national government, national security, human rights, environmental protection, local government, and economic reforms.

> During the year, Svitlana Yeremenko was appointed to the position of Director of POID. The previous director, USUF Vice President Markian Bilynskyj, now serves as President of the POID.
Economic Development

The U.S.-Ukraine Foundation promotes business and economic development between Ukraine and the West through an open exchange of information from corporate, government, educational and non-profit entities.

This program supports Ukraine’s economic development by participating in trade shows/conferences specializing in sectors like biotechnology and travel, distributing business information through its website, newsletter, and social media like LinkedIn, and providing advisory assistance to high tech entrepreneurs of small and medium size companies.

Biotechnology Initiative
This project, aimed to support Ukraine’s biotech sector, began in 2017 with a generous gift from Ms. Irene K. Joseph.

The Initiative awarded 18 biotech professionals with travel grants amounting to $33,250 during the year.

Irene K. Joseph (second from left) receives an award from USUF for her generous support of the Foundation’s Biotechnology Initiative in June 2018. Also pictured, from left, are USUF’s Nadia K. McConnell, John A. Kun and Amb. Roman Papadiuk. (Credit: Adrian Karmazyn).

USUF’s Biotech Initiative booth at the 2018 BIO International Convention in Boston, MA (June 5-7, 2018) showcased Ukraine’s emerging biotech leaders, entrepreneurs and start-ups. Great interest was evidenced by the many visitors to the booth over three days. Inquiries regarding current research, partnering opportunities, training needs, and providing assistance were very typical. At the booth, Mark Erjavec, representing BIOsens, Iryna Goi, representing LATRAX, and John A. Kun, USUF’s Vice President, fielded the questions and provided the answers!
The Foundation promotes Ukraine’s travel sector through information on the TraveltoUkraine.org website, Travel to Ukraine Facebook page, and the Foundation’s LinkedIn page.

The Foundation sponsored a Ukraine Booth in January 2018 at the New York Times Travel Show, held in the Jacob Javits Center in New York City.

Denys Semenovych, Consul of the Consulate General of Ukraine in New York, visited USUF’s booth.

The New Jersey-based Iskra Ukrainian Dancers treated the audience to a captivating performance of folk dances.

Zapvtiv Community Development Fund
This fund supports Zapvtiv, a community near Lviv, and established by the Boyko Family -- Mychailo and his daughters Olena and Lieda.

Petrach Community Development Fund for Starij Dobrotvir
The William Petrach Charitable Trust, which had previously awarded the U.S.-Ukraine Foundation with funds in 1999 to construct a community center and a church rectory in Old Dobrotvir (Lviv oblast, Kamyanka-Buzkyj ayon), petitioned the Circuit Court of Arlington in March 2003 to terminate the trust and distribute the remaining assets to the Foundation. The court approved the petition and awarded the Foundation with funds to establish an endowment that supports the year-to-year needs of four community institutions - the community center, elementary school, library, and rectory of the Ukrainian Greek Catholic Church.
Education

This program educates the public regarding Ukraine and the U.S. and provides assistance to institutions and individuals in expanding educational opportunities relating to public policy, economic development, health care, leadership and democratic values.

Open World Project

Funded by the independent Open World Leadership Center at the Library of Congress, Open World is designed to enhance understanding and capabilities for cooperation between the U.S. and the countries of Eastern Europe, Eurasia and the Baltic States by developing a network of leaders in the region who have gained significant, firsthand exposure to America’s democratic, accountable government and free-market system.

The U.S.-Ukraine Foundation has provided effective programming and family hosting for Ukrainian leaders for Open World since 2006. The Foundation’s role in administering “people-to-people” exchanges between the U.S. and Ukraine has been an integral part of its history.

The U.S.-Ukraine Foundation was presented with the 2011 National Grantee of Merit Award by the Open World Leadership Center.

Through the Foundation’s Open World Project during the year, young Ukrainian leaders attended 9-day training programs organized and hosted by the Foundation’s partners in the communities of Birmingham, AL, Chicago, IL, Little Rock, AR, Longview, TX, Montgomery County, MD, Santa Barbara, CA, and Springfield, IL.
Ukrainian journalists participating in the theme, Countering False Information/Media Literacy, were led by USUF’s Adrian Karmazyn (far right) during this September 2017 visit. Here they are at National Public Radio in Washington, DC. The delegates were family hosted in Maryland’s Montgomery County.

Birmingham, AL’s Sister Cities Commission, led by Scotty Colson, organized the program, Community Development/Community Activism/Volunteerism, in March 2018. The agenda included a visit to a Birmingham City Council meeting.
Youth Leadership Program

USUF has welcomed many young men and women to its Washington office through the years for an opportunity to delve into U.S.-Ukrainian relations, to explore career choices, and to learn the political process. Students are challenged while they serve at USUF and assist in various communications, research and program activities. Our interns represent future leaders in U.S.-Ukraine relations!

The Foundation provided an invaluable educational, leadership experience for these talented individuals:

Yelyzaveta May - Global Politics Fellow, George Mason University

Grant Mizell - International Studies at the University of North Florida

Alexander Naumov - International Politics and Russian Studies at George Mason University

An Appeal for Decisive Action in Ukraine's Fight Against Corruption from the Friends of Ukraine Network
March 7, 2018

Today, the Washington-based Friends of Ukraine Network (FOUN) released "An Appeal for Decisive Action in Ukraine's Fight Against Corruption." With this statement, FOUN adds its voice to the many calls from Western leaders and diplomats and representatives of international organizations, regarding the need for Ukraine to urgently strengthen its anti-corruption institutions and adopt additional anti-corruption reforms. The Friends of Ukraine Network is a non-partisan, informal coalition of former ambassadors, leading foreign policy and international security professionals, and other experts, who have dealt with key aspects of Ukraine's relations with the U.S. and the international community.

March 14, 2018 - The Friends of Ukraine Network (FOUN) met to discuss measures that can be taken to challenge Russia’s occupation and militarization of Crimea, focus attention on widespread human rights violations on the annexed peninsula and, eventually, return Crimea to Ukrainian sovereignty.

The gathering, held under Chatham House rules, was initiated by the Embassy of Ukraine in the USA and hosted by the U.S.-Ukraine Foundation. The Ukrainian perspective was presented by Ambassador Valeriy Chaly, as well as Mariya Ionova, a Member of Parliament who serves as the Deputy Chairperson of the Committee for European Integration, Cyborgs movie director Akhtem Seitablayev and former POW Volodymyr Zhemchugov. FOUN participants included Amb. Alexander Vershbow, Amb. John Herbst, Amb. Roman Popadiuk, Ian Brzezinski, Phillip Karber, Herman Pirchner, Orest Deychakiwsky, Nadia K. McConnell, Robert A. McConnell and Adrian Karmazyn.

The women, who are NGO activists and business entrepreneurs from the Odesa, Donetsk, Cherkasy and Kyiv oblasts of Ukraine, emphasized the importance of increasing women’s participation in political decision-making and economic development at the regional and local level, with special emphasis on rural areas of the country.

Earlier that day, the group spoke at the U.S.-Ukraine Foundation, where they talked about the challenges that internally displaced persons fleeing Russia’s occupation of the Donbas and Crimea face in establishing new livelihoods in other parts of Ukraine. They also called for more foreign assistance to be targeted at training women’s NGOs and citizen advisory councils at the regional, municipal and local level.

The discussion was facilitated by Dr. Jonathan Peri, President of Manor College in Jenkintown, Pennsylvania.

Members of the Board of Directors, Board of Advisors and staff of the U.S.-Ukraine Foundation held a lively and thoughtful discussion that will inform USUF’s strategy for supporting Ukraine’s security and democratic and economic development based on a vibrant U.S.-Ukraine relationship. Clifford Bond, Michael Buryk, Edward Chow, Orest Deychakiwsky, Olya Duzey, Adrian Karmazyn, Anizia Karmazyn, John A. Kun, Deanna McConnell, Nadia K. McConnell, Robert A. April 2018 - Oleksandr Solontay (center), a leading Maidan activist and head of the Political Council of Ukraine’s Power of People (Syla Lyudey) political party visited USUF. He was accompanied by Andriy Putilov (left), a politically independent former governor of the Kherson region of Ukraine, who was a passionate participant of the 2014 Maidan Revolution and the 2004 Orange Revolution. Mr. Solontay described intensive efforts at the grass-roots level to build Power of People along the lines of a Western-style party, focusing on policy rather than personalities. At the right, Nadia McConnell reminds Mr. Solontay that USUF recognized his leadership skills as part of the Foundation’s 40 Under 40 - Ukraine’s Emerging Leaders Initiative, which identified 40 outstanding Ukrainians under the age of 40, who demonstrated leadership within their profession while making a significant contribution to the development of their community and Ukraine.
May 21, 2018 – Revered Crimean Tatar leader, Mustafa Dzhemilev, the Ukrainian President’s Special Commissioner on Crimean Affairs, visited the U.S.-Ukraine Foundation to discuss the plight of Russian-occupied Crimea.

Re: 2018 Annual Giving Campaign (September 1, 2017 – August 31, 2018)

It is my pleasure to report that U.S.-Ukraine Foundation’s 2018 Annual Giving Campaign received private cash gifts totaling $419,039 from 335 donors.

Highlighting our fundraising efforts this year included a gift of $250,000 by Ms. Irene K. Joseph for the Foundation’s Biotechnology Initiative, which she established in 2017.

Private gifts are extremely important to the U.S.-Ukraine Foundation’s operations. This year’s total of $419,039 represents 76% of all revenue received, $550,192. The balance raised of $131,153 constitutes revenue from the Open World Program of $75,415 with fee income and earnings totaling $55,738.

Volunteer gifts, in the form of in-kind services supporting the Foundation’s operations and programs, totaled $210,595 in value.

The private gifts and many donated hours of service by volunteers illustrate the wide public support for the mission of the U.S.-Ukraine Foundation. Friends and donors make it possible for the Foundation to continue its much-needed work in support of the People of Ukraine. I thank all our donors and volunteers for their generosity of time and/or money.

This information is also being posted on our website and is reflected in our financial statements.

Your continued generosity is sought for our 2019 Annual Giving Campaign which is currently underway!
